Ness Partners With Dundee Township Park District For Senior Vaccination Clinic

CARPENTERSVILLE, Ill. – Representative Suzanne Ness (IL-66) partnered with State Representative Anna Moeller (IL-43), Illinois Migrant Council, and The Dundee Township Park District to provide over 500 COVID-19 vaccines to local seniors at the Dundee Township Park District Adult Activities Center on Thursday.

“Too many seniors in District 66 have struggled to secure a vaccination over the last few months. That’s why I am so proud of our community for coming together to support our aging population and ensure they have access to vaccinations. Seniors felt comfortable at our vaccine clinic because they were surrounded by staff they already knew in a building that was familiar to them. The priority has always been getting vaccines into the arms of vulnerable populations who need it most and today, we were able to accomplish that.”

If you are an adult over the age of 65 in McHenry County and have not yet received a vaccine, please enroll via the McHenry County Department of Health. For more information, visit <https://redcap.dph.illinois.gov/surveys/?s=W9ENTNFW9> or call 815-459-5151.

If you are an adult over the age of 65 in Kane County and have not yet received a vaccine, please enroll via the Kane County Department of Health. For more information, visit <https://laserfiche.countyofkane.org/Forms/vaccine-info-request> or call 630-208-3801.

If you or someone you know requires assistance securing a vaccine or would like to request resources regarding the vaccine, please contact Rep. Ness’ full-time constituent services office by calling 224-484-8620 or emailing info@repsnessil66.com.
