Ness to Hold Online Town Hall for Kane, McHenry Counties

CARPENTERSVILLE, Ill. – State Rep. Suzanne Ness, D-Carpentersville, is inviting Kane and McHenry county residents to join a virtual town hall on Tuesday, March 31 from 6 p.m. to 7 p.m. to discuss legislative updates and state budget developments that directly impact the district.

“This is a perfect opportunity for busy people and families to not only hear what’s happening in Springfield, but to ask questions, share concerns and engage in the democratic process all from the convenience and comfort of their home,” said Ness.

The virtual town hall will take place Tuesday, March 31 at 6 p.m. on Zoom and will be followed by a Q&A. Registration is required. To register, please use [this link](#) or email info@repsnessil66.com.

“My team and I have been out and about the community these last few weeks meeting with neighbors and identifying top concerns,” said Ness. “This online town hall is one of the last stops before I head back to Springfield to continue advocating for us—from new families to senior communities. This feedback is so important as I debate budget items that directly affect our patch of the state.”
